

Do you want to create better relationships within the family?

Here's a new program for families with youth ages 12-16

Strengthening Family Connections

Having trouble communicating with your teen?

Don't agree with your teen's choice of friends?

This 8-week program will help parents and teens improve family relationships by:

- Effective communication
- Discussing family rules and
- Working together to solve problems

Parents and youth will attend group sessions separately for the first hour and then work together for the second hour.
